Application for
Planning Permission
- Excess of H Bungalows.

A letter from the R.D.C. regarding an application for residential development of a large area on behalf of the Excess of the late Henry Bungalows was read and fully discussed.

For the following reasons the Council unanimously decided not to recommend this project:

- (a) The area contained land outside the "Village Plan" recently discussed by the Council.
- (b) If further development was desired in the village, there was land within the said "Village Plan".
- (c) It appeared that, in accordance with the suggestions, the house formerly occupied by Mr. Burgess would be demolished. If so, this would spoil the appearance of the village street. Accordingly a request that, if the Council did not support the Parish Council's views, the matter be referred back to Middleton.

Minutes of a Joint Meeting of the
Middletown & Cottingham Parish Councils held
in the Congregational Church Schoolroom,
Middletown. Coun. D. G. Berry in the Chair by
invitation.

Apologies were received from Coun. G. A. Hunt MBE

Coun. Albon, referring to correspondence received,
recalled that some years ago a Village Hall Scheme
had originated, but had come to nothing. It was
feasible that in the future a new School would be
required in the future, and the present trend of
thought was that new School buildings should
incorporate Village facilities, thereby saving capital
cost.

In addition, there was no public or school
playing field available for the two villages, and
any scheme to incorporate either a new school or
Village hall, should have this in mind. The most
obvious site for any project of this nature was in
the Berryfield area.

The Chairman asked for the views of those
Councillors present, and several expressed the opinion
that the ideas put forward were sound & should
be further investigated.

It was unanimously decided that a committee,
comprising the following, should be appointed:

Coun. G. A. Hunt, MBE.

3 members of Middletown Parish Council

3 members of Cottingham Parish Council.

Coun. K. G. Albon.

After the Councils had made their respective
appointments, a meeting would be convened, and the
