

MIDDLETON PARISH PRECEPT 2020-2021

Dear Resident,

You will by now all be in receipt of your Council Tax bills for the coming year and you may have noticed a significant increase in precept from Middleton Parish Council. Corby Borough Council has in previous years paid a concurrent expenditure grant to the parish, unfortunately this has reduced over the last three years. This grant, which last year provided the parish with £814, has now been phased out. In addition the Parish Council has budgeted an extra £360 by way of contribution to the community bus service.

In real terms this means an increase of £11.44 for the year on a Band G property

Middleton Parish Council
